SKILLS & LANGUAGES

Dutch: Native language
English: Near-native proficiency
French: Basic intermediate
Polish: Beginner

HOBBIES

- Skateboarding
- Self-study (Hack The Box...)
- Social activities (meeting friends, networking)
- Working on cars

ABOUT ME

I am highly motivated and always determined to achieve my goals. I enjoy working in a team environment, but I can also function independently very well. If there is something I do not yet know, I am always open to learning new skills. In my free time, you will usually find me at the skatepark. Otherwise, I spend time on one of my other hobbies.
